

Send **hope** during **Daffodil Days**®

Bear Hugs for Hope

Bring hope to children in your community by giving a special Daffodil Days limited edition Boyds™ Bear that will be delivered anonymously to those in treatment or whose family has a loved one with cancer. A hug from this cuddly bear brings more than a smile – it supports all the American Cancer Society is doing to create a world without cancer.

Gift of Hope

Brighten the day for cancer patients and let them know we are committed to the fight against cancer. The Gift of Hope program allows bunches of daffodils to be delivered anonymously to cancer patients in hospitals and treatment centers in your community. Multiple donation levels are available to help further the American Cancer Society's life-saving mission.

Both **Gifts of Hope** and **Bear Hugs for Hope** support the research and programs of the American Cancer Society. Donations for each start at \$25.
